## ***BULLETIN OF PORTUGUESE-JAPANESE STUDIES***

2ª série, Vol. 3-4 (2017-2018)

Lisboa: CHAM, 2020, 154 p.

ISSN 0874-8438, e-ISSN 2183-7414

"[...] Since its establishment, the BPJS has been playing a defining role in the historiography on the Portuguese presence in Japan. Under the direction of Alexandra Curvelo, to better adapt to new academic needs, the BPJS widened its coverage to the multiple contexts in which the Portuguese operated in East and South-East Asia. Our aim is to continue this editorial policy, seeking contributions for a holistic study of the Portuguese presence in Japan. Also, we are deeply engaged in publishing the valuable work of promising young and independent scholars, in an academic context where finding avenues for publication can be both complex and daunting. [...]"

## ***RES ANTIQUITATIS - JOURNAL OF ANCIENT HISTORY***

2ª série, Vol. 2 (2020)

*Expressions of Antiquity in Modern and Contemporary Art and Literature*

Lisboa: CHAM, 2020, 160 p.

ISSN 1647-5852

"[...] The choice of this thematic was impelled by the profound interest about ancient civilizations that marked the so-called "western-world", from the 15<sup>th</sup> century onwards, and which allows us to identify a prolific artistic and literary production whose referential framework lies in Antiquity. [...]"

# CHAMADA PARA LIVROS /

## Call for Books

#Coleções/Collections  
#E&D #CHAMeBooks

O CHAM promove uma chamada para livros aberta em permanência, destinada à comunidade científica nacional e internacional, no âmbito das suas colecções *Estudos & Documentos* e *CHAM e-Books*.

Os interessados podem submeter propostas editoriais inéditas e originais para a publicação de monografias ou volumes editados, que não tenham sido anteriormente publicados nem se encontrem em consideração para publicação noutra editora.

As propostas deverão enquadrar-se nos campos disciplinares e nas temáticas de investigação em desenvolvimento no CHAM. Encoraja-se a submissão de trabalhos que adotem abordagens comparativas, multidisciplinares, transnacionais e/ou transculturais.

***CHAM promotes a permanently open call for books destined to the national and international scientific community, within the scope of its Studies & Documents and CHAM e-Books Collections.***

*The submission of a proposal requires the assurance that the manuscript is an original work that has not been published previously and is not currently being considered for publication elsewhere.*

*Proposals should fall within the disciplinary fields and research themes that are currently addressed by CHAM. The submission of studies adopting comparative, multidisciplinary, transnational and/or cross-cultural approaches is strongly encouraged.*
